

Shawnee Spotlight

We have another opportunity to spend a few moments celebrating Lake Shawnee's youngest residents. Let's take a look at the future of our community - their interests, successes and accomplishments.

Celebrated student-athlete Savannah Ludlow, third-grader, has impressed dance judges across the nation this season! As a Stanlick school Bravo Student, Savannah recently dominated multiple dance competitions this season in many disciplines, competing individually and with a competition and team at Dance Academy of North Jersey (DANJ) in Jefferson. Savannah wowed the judges with first place finishes in the Legacy Dance Championships in East Brunswick and taking home both the MVP Award and Future Hall of Famer title from Hall of Fame Dance competition in Morristown. To top off the amazing season, Savannah was also awarded 2nd place at the Nationals in Orlando for her solo dance entitled "Climb Every Mountain." With the 2024 competition season just kicking off, we can all look forward to seeing Savannah continuing to Climb Every Mountain.

Lake Shawnee is also proving to be unmatched on the mats as well, as our lake has put together one dominant performance after another thanks to the combined efforts of Shawnee's grapplers. This season, Lake Shawnee's Donnie Andrews, Liam Carroll, Gavin Goldsberry, Gunnar Goldsberry and Gabe "Hammer Hands" Goldsberry represented Jefferson Youth Wrestling in some incredible battles of might and will. Donnie Andrews finished the season ranked #13 in his weight class, while brothers Gunnar and Gabe Goldsberry each brought home silvers in their respective weight classes at the Future Stars Tournament hosted at JTHS.

Liam Carroll finished off his impressive season with an amazing record of 10-3, ranking 6th in his weight class and qualifying for the State Championships at the Lakeland Regional Qualifying Tournament.

Gavin Goldsberry proved nearly unstoppable finishing with a record of 13-1, ranking 2nd in his weight class competing for both the Falcons and as a representative of Iron Horse Wrestling School in Randolph. Gavin punched his ticket to the State Championships with a stellar performance at the Randolph Regional Qualifying Tournament. Keep your eyes and ears open for more from these two as they compete at the State Championships in Trenton this March.
