

# Shawnee Spotlight

We have another opportunity to spend a few moments celebrating Lake Shawnee's best, brightest and newest. Let's take a look at the future of our community; their interests, successes and accomplishments.

Batter up! **Erin Leonard** had an all-star season on the 14U Jefferson softball team. Lake Shawnee's softball guru **Dave Lostumbo's** tactical coaching and Erin's .246 average, 10 runs batted in and 4 stolen bases helped propel the Falcons to victory at Sparta's Schools Out Tournament and led them to a record of 27-8-2 en route to capturing the league's 2nd place banner for the Spring season.

B-Boys make some noise! Lake Shawnee's own **Jack Mignanelli** and **Oliver Moore** are stomping the yard as part of Top Tier Dance Academy in Oak Ridge. The boys' hip-hop troupe is always one of the most highly anticipated performances at any recital, and this year's performance of "Pop" by 'N Sync was no different. The duo pop n' locked their way through their recent hip-hop recital, telling all other performers, "You got served" and winning the hearts and minds of all who were lucky enough to see them bust their moves on the stage!

In alumni news, former Lake Shawnee swimmer, lifeguard, instructor and perpetually positive person, **Maddy McConnon Becza** has recently given birth to her first child, Cory. On behalf of the community, welcome Cory! We all can't wait to see you at the beach! Congratulations to the Becza and McConnon families.
