

Lake Shawnee News

MESSAGE FROM THE PRESIDENT JANUARY/FEBRUARY, 2019

On behalf of the Board of Governors and myself, may this New Year be filled with joy, health & happiness.

As I look back to reflect on the past year and reviewed my past messages and notes, I am glad to say that 2018 was a once again pretty typical year around the Club. In 2019, we look forward to moving ahead with our clubhouse renovations planned for right after Labor Day. We are still in a holding pattern with the NJ DEP for our dam improvements. On a personal note, I look forward to serving our community further as Mayor of Jefferson Township. I am humbled to continue to serve my community on a little larger scale!

You may have noticed that our Office Manager Lisa Peter has been missing from the office lately. She has not left us; Lisa and her husband Glenn sold their house after 50+ years recently and are spending some time in the Carolina's. Carolyn Sior has been covering the office until her return which we expect in early Spring.

Our social committee is always working hard, and our 2019 social calendar is posted on our website. I would like to personally thank Dina Troha for all her years of service as our Social Committee Chairperson. Dina stepped up as chairperson in 2009 and has done a fantastic job and has brought us many new fun-filled events for all. I am grateful for all her hard work. Dina will continue to serve on the Board and will be the Social Committee Liaison. I also need to thank Ruth Kuhl and Kristen White for stepping up as Co-Chairs and wish them much success. As always, we are always in need of volunteers to help with all our events.

Mark your calendar for the annual Ice-skating Party/Winter Carnival on January 13th. Hopefully, we will have good ice this year.

Speaking of ice, just a reminder to use good common sense when venturing out onto the ice. Parents should educate their children about ice safety and supervise them when they go out on the ice. The Club does not evaluate the safety of the ice on the lake and it is up to each individual to determine the risk when going out onto the ice. With that said, Lake Shawnee has always been a very desirable lake to ice fish and is great for ice skating, as well. I must remind everyone that badges should be worn or available and especially so for any member guests. We ask that you please do not simply invite friends to utilize the lake without you being present or without issuing them a guest badge. It is all too common to hear from non-members on the lake that they know someone and it becomes difficult to verify. Keep in mind NJ Fish & Game requires a fishing license for anyone over 16 even on private lakes. Please be courteous to our residents and do not use gas-powered ice augers before 8 am. All our ice fishing rules are posted on our website.

Please mark your calendar for our Annual Meeting which is scheduled for Saturday, March 16th at 11 am.

Last, thank you to the many members over the past year who donated their time and have contributed so much to make Lake Shawnee such a wonderful community!

Happy New Year to all,

Eric Wilsusen
Club President

Ice Safety

Outdoor ice sports and activities can be safe and enjoyable, but there is no such thing as 100 percent safe ice. Anyone who spends time near the ice should first determine the ice conditions, and then take precautions to stay safe.

Preventing Ice Accidents

- Follow these guidelines to avoid accidents when on or near ice:
- Check the ice thickness before going out. To be safe, ice should be solid and at least 4 inches thick. Remember, the ice may not be the same thickness over the entire area of a lake or pond. Test ice thickness by using a chisel, cordless drill or ice auger.
- Be safe—the more people on the ice, the thicker it should be.
- Use ice on smaller, shallower and slower-moving bodies of water for ice activities, it is usually more solid.
- Look for objects sticking up through the ice and mark them as hazards.
- Do not go out on ice that has recently frozen, thawed and then frozen again. This happens in the spring and early winter as temperatures change often. Wait until the outside temperature has been below freezing long enough that at least 4 inches of solid ice forms over the entire area.
- Always stay with at least one other person.

LAKE SHAWNEE ICE FISHING RULES

- No use of gas-powered augers before 8 AM
- No fishing closer than 50 feet from the shore of anyone's property unless it is your own
- No fishing closer than 100 feet from the Beach areas and directly behind the Clubhouse
- Drill no more than ten holes per person per day
- Return all fish to the Lake alive that you do not intend to eat or otherwise take with you
- When leaving, take everything off the ice with you, including fish, garbage, coals, firewood, cans, etc.
- No glass bottles allowed on the ice at any time
- No fires allowed on the ice other than cooking on a grill
- Member or guest badges must be worn while on the ice

These rules must be followed in order for all of us to continue enjoying our ice fishing on Lake Shawnee!

Summary of the Lake Shawnee Club Board Meetings

November 2, 2018

The Social Committee reported on recent events including Beer Tasting event and the Annual Trunk or Treat. Upcoming events include Texas Hold 'em, Pallet Painting, Gift Making, and Book Club. The Winter Carnival is proposed a week earlier this year with football on blow up screen. Finally, the Social Committee planning meeting for the upcoming year will be held the yearly calendar will be available in the next edition of the LSNews. It was noted that the Lake is getting very clear at this time of the year. An end of the year report from Solitude will be available in time for the Annual Meeting.

The Fall Work Day was scheduled for November 3rd. Tree trimming and leaf clean-up was needed on all properties.

It was reported that "Scoot on Down" has been booked to play at this year's Community Day event.

It was reported that the Fishing Committee is selling calendars featuring photos of the Lake from members as a fundraiser for \$20.

It was decided that the Board will choose a contractor for the Clubhouse renovation project by the beginning of the year.

There was a brief discussion on updating the new Boat Policy. It was noted that we added racks, which helped the situation, but it was decided to review limiting the number of permits per household prior to next summer.

There was a brief discussion on annual lowering of the lake. It was noted that the next scheduled lowering is 2020.

December 7, 2018

Club attorney, Ms. Eileen Born will do a bylaw review to check with our compliance with the new laws.

The Lake Shawnee Seniors Christmas party will be held on December 19th.

It was noted that the Budget Committee will reconvene at the beginning of the year. All property managers will submit their projects for the upcoming year.

It was noted that the Fishing Committee recently held their annual banquet.

The Board approved an expense to replace a large window in the Clubhouse at a cost of \$1000 and an expense to replace the lights on the Message Board.

It was noted that tree trimming at First Beach was completed and Bartlett Tree Service evaluated all the trees on the property. It was reported that the main tree on First Beach is dead and will need to be removed most likely in the fall. The Board plans to plant other shade trees in the spring. When we begin the Clubhouse renovation, we can complete all tree trimming and removal at the same time.

The Board plans to finalize all bids for the Clubhouse renovation and make a final decision by January. We will wait on obtaining a variance, if needed, until we hire a contractor.

Nomination notice for Board positions was included in the last edition of the LSNews. All current members are interested in another term.

Repairs needed on the dam are incomplete because the water level has been too high. The repairs will need to wait until the spring or until the lake level is lower.

The Board discussed and approved giving member Alicia Szwec access to manage the Lake Shawnee website, as well as assisting in layout and quality of advertising submissions in the LSNews. Ms. Szwec is a graphic designer and volunteered her services to the Club.

THANK YOU!!

Over the past 10 years it has been my pleasure to serve on the Social Committee for our community. After much thought I decided it was time to step down as Chairperson. My involvement in all of the Lake's events will not only be cherished by me but my family as well. I just wanted to take this opportunity to thank all of you for your support and kindness over the years. We have made some amazing memories together and I am looking forward to many more but in a slightly different capacity. Thankfully, two wonderful ladies have decided to jointly run Social Committee. Kristen White & Ruth Kuhl will continue with the momentum and growth we've worked hard to achieve over the past years. We now have a great group of people to help with events but are always looking for more. I hope that you all show these ladies the same support and encouragement you have always showed me.

Wishing you all the very best the new year has to offer!
Dina Troha

Congratulations to the Light/Fight Winners

The East side winner was the Gast Family at 1 Algonquin Trail

The West side winner was the Ryan/Caughlin Family at 30 Shawnee Parkway

The judges thought both sides of the lake did a great job so they were unable to choose a side. Amazing Christmas spirit to both sides!
